* Pursuant to the 1997 Agreement between the Georgia Seed Development Commission (GSDC) and the University of Georgia Research Foundation, Inc. (UGARF), GSDC collects certain revenue related to plant varieties licensed to third party companies by UGARF, and GSDC is entitled to 20% of the net revenue related to certain varieties licensed by UGARF. GSDC collects some, but not all, of the revenue related to "Prince," and is entitled under the 1997 Agreement to 20% of the net revenue associated with "Prince." Where GSDC is identified in the Reference column, GSDC has collected revenue from one or more licensee companies, has calculated and retained its share (which is GSDC's own revenue), and has remitted the remaining amount (identified in the Amount column) to UGARF. In these instances, the amount remitted by GSDC to UGARF is UGARF's revenue.

** Where the Reference column identifies an entity other than GSDC (e.g., Athens Select Marketing Association; Dupont Nursery; Les Enterprise Norm; Euro-American; and Emerald Coast Grower), this indicates that UGARF received payment directly from that entity (which is a licensee company), such that UGARF still owes a share to GSDC.

*** Where the Reference column identifies "Associated Payment by UGARF to GSDC," these entries represent UGARF's payment to GSDC of GSDC's share of revenue that UGARF has collected directly from other entities (licensee companies).
