Dr. Rooney,

Dr. Pederson is out-of-the-office; however, I have copied Tiffany so that she can start processing your request. We should be able to get the seed pulled and shipped to you by Monday. Also, Tiffany will email you the tracking number when the samples are actually shipped.

If you have questions, please let me know.

Thanks,

Lee Ann

First, I have to apologize for this late request, but I was traveling and I had a student who didn't realize that we had to request this seed. We would like seed of the following lines so that we can plant them in our winter nursery. We've got to have the seed ready by early next week. So, the question for you – can you pull it and send it to us by Monday/Tuesday of next week? If so, multiple thanks, and I owe you one. If not, just let me know and we'll plan accordingly

Again, my apologies for the extremely short notice.

Regards,

Bill
