Dear Dr. Bill,

For six months ago, Vilma project was financing to me a person in my office to take the costs of each project and informing to the leaders. This activity has been successful, but Vilma can not longer continue financing it, we pay to this person \$ 1.00 the hour, \$ 8.00 per day. The hiring does the CENTA with our funds, as the field workers. Now I must finance it with administration project that is the correct thing, but need your approval.

Regards,

René Clará V.
