Delroy,
Thank you for your punctuality, I will be looking for the seed in the morning.
Yes, you will still have the \$53.50/night rate including tax, if you have any problems let me know.
Thanks again, I will let you know as soon as we get the nurseries planted.
Regards,
Jim

Jim:

One box of packaged seed should arrive at Andale tomorrow (Tuesday) morning. Rows are in separate bundles arranged by range from front of field to back. Seed has been treated with Concep III, Apron XL, Poncho, Precise, and Maxim FS. Field map is attached. If you have questions, please let me know. I assume we can still make reservations at La Parguera when needed?

Cordially,
