Areg,

Yes, hotel reservation in Jakarta have been made (see attached). I need to modify Bill's reservation for his arrival date and Ken's reservation has been cancelled as he will be traveling to Jakarta at a later date. I will send the request for airport transportation this week rather than each person doing it separately.

Ade (our host contact at Medco) is working on the hotel reservation at the project site – [Rafy is this correct?](#)

You will be able to purchase the airline ticket to Merauke when you get to Jakarta (with a credit card).

If you need to contact the hotel, here is the reservations agent contact info:

Mark,

Have you already reserved the hotel for all of us or should we each make our own reservations? You had mentioned that hotel has shuttle from airport. Do we need to notify the hotel about our arrival time individually and make reservation for the shuttle or it has already done for all of us? Are we going to buy airline tickets to go to the project site while we are there or we need to purchase them in advance?

Areg
