---

Jacki,  
What general area in Agronomy are you interested, Plant Breeding, Agronomy (plant physiology, production, etc.), or Soil Science? Secondly, what time will you arrive? Let me know ASAP as we will set up an itinerary.

Kathy: once we get this reply, please set up an itinerary for Jacki and copy Jacki and the cc list.

Thanks,

Wayne

Hello gentlemen,

Hopefully you remember meeting me at the Sorghum conference in August in Amarillo; I am a graduate student here at Oklahoma State and will be graduating this May and have been debating continuing my education or pursuing a career. Well I have made sudden plans to attend the OSU-Aggie football game this weekend since OSU will be on fall break. I will be headed to College Station on Thursday night and I was wondering, if at all possible, for a tour of the crop science department on Friday (Oct. 9). I feel there is no need for a formal agenda since this is on such late notice but I would love to see the department. I have spoken with a friend, Aaron Turner, and hopefully if he's not busy with class he can assist with the tour as well.  
Please let me know if this is possible. I look forward to hearing from you and to seeing your campus this weekend. Thank you.

Sincerely,  
~Jacki Langlois
