Bill

I am a bit confused on the [REDACTED] work that you asked Natalie to do. Matt dropped off seed of the following:

[REDACTED]

Thus he gave us three envelopes. My question is was there only one cross of [REDACTED] x [REDACTED] that you wanted us to check or is he sending us bulked seed from several crosses? Before I have Natalie do anything I want to know what we have. She and Matt both seemed a bit confused and I wasn't there to hear the conversation.

Thanks
Trish
