I'll likely be coming directly from a meeting in Mexico and returning to Raleigh, NC.

I need to get some clarification from the Mexico meeting organizers before I book flights.

Subject: Ethics Committee travel arrangements

Dear members of the Committee,

As mentioned in my previous email, Emerging Ag will take care of the logistics regarding the meetings of the Committee. In that regard we will need some information :

- o You passport details (scan)
- o Frequent flyer number if you have a preferred airline
- o Your dates
- o Where you will be flying from and where will you be flying to
- o If you need any Visa assistance

Thank you for those who already provided us with those information, we will work on the best options and will

revert back to you to finalize the booking.

We will take care of your accommodation in London as well for the duration of the meeting (3 nights). For those who live outside of London and would prefer to stay in the city for the 2 days meeting, we will be happy to arrange for a night at the hotel.

In the meantime should you have any questions, please do not hesitate to reach out, we will be happy to assist you. Next week I will be off so Isabelle will be your point of contact about the logistics.

Kind regards,
Hapsa
