Subject: Regular NCSU GBRIId Meeting

Hi Fred and NCSU Team,

I would like to propose to push the meeting (that may or may not be on your calendars) back one week. I will be in the US, so the 2PM timeframe will be much easier.

Apologies for the late notice. I hope this works for the team.

Warm Regards,

Royden

Hi All,

Attached is a brief trip report from last week. Also attached is the poster presented at the conference.

I am currently in Geelong getting acquainted with CSIRO's Australian Animal Health Laboratory. I will be in Canberra on Thursday and leaving back to the US on Saturday.

Warm Regards,
Royden
